

Science Horizons

SURVIVAL

Discover what it is like to be an animal in the wild! Choose to be a lion stalking your prey and escaping human hunters. Or be more adventurous as a hawk, mouse or even a butterfly, searching for food and avoiding deadly predators.

Survival models the natural world, brings to life the hazards that different creatures must face in their struggle to stay alive.

Science Horizons, published by Macmillan Education, is one of Britain's most successful primary school science schemes. Each program concentrates on key scientific ideas in a way that makes learning fun.

Software developed by Five Ways Software.

Macmillan Education and Sinclair Research acknowledge the assistance of Tim Tregear, Gossops Green School, Crawley, and the West Sussex Local Education Authority in the preparation of these programs.

Program and documentation © Macmillan Education 1984. Packaging © Sinclair Research Ltd 1984.
